

Full HD Webcam

Part no. PX-CAM001

- 1/4" CMOS image sensor
- Resolution: 2592x1944p/30fps
- Megapixels: 5
- Automatic low light correction
- Auto focus
- Focal length: 30mm to infinity
- Omni-directional microphone
- Universal mounting clip

With its 1/4" Optical Sensor, autofocus and enhanced lens configuration, combined with an omni-directional microphone, the ProXtend X301 is the perfect choice for all video chat applications, providing sharp and clear images when you need it.

At ProXtend we understand that megapixels are not everything when it comes to image quality.

That's why we focus on the hardware that really matters, ensuring that you are 'seen and not just heard'!
